PVSC is a volunteer organization, one of 17 in Maine! Open to individuals ages 50 and older, our membership year runs from July 1st through June 30th of the following year. Typically, we have two course sessions, fall and spring, with additional free One-Day events. However, with Zoom technology, we are able to offer additional sessions, depending on instructor availability.

New members are encouraged to join the Maine Senior College closest to where they live. Once you pay your yearly membership fee to your local senior college, you are able to take classes by registering and paying the course fee, either for a course at your college, or any of the other senior colleges in Maine. (<https://www.maineseniorcollege.org/>) Check PVSC's website for upcoming One-Day Events or courses. At this time, PVSC is also offering membership to family and friends who live in other states. They just need to fill out a membership form, paying either online, or by mailing the form to our Private Mail Box (PMB) with a check.

For any questions, please email or call Sheila Krautkremer, PVSC Administrative Assistant

(When you register online, first you create a "Household" and become a "Member" in that household. Then register for a "Membership."
